

THURSDAY, SEPTEMBER 5, 2024

---

Dear Yasmina,

Based on what we've learned about you, your background, and what you are looking to achieve in your career, we believe this is the place and role for you.

Here are more details about our offer:

Position: Part-Time Instructor

Location: Tunis Lac Hackerspace

Starting Date: September, 9, 2024

Session Duration: 4 hours for weekend sessions & 2 hours for weekday night sessions

Learning Cycle Duration: 100 sessions over 5 months for weekend sessions OR 100 sessions over 5 months for weekday night sessions

Frequency: Based on student demand and instructor performance (The instructors can manage more than 1 group)

Overall Benefits

- Base Salary: 50 TND per 4-hour workday
- 25% of the 4-hour rate if the achievable target is reached within six months
- Graduated Student Bonus: 25% of the 4-hour rate for each graduate
- Access to Continuing Education through Free GoMyCode courses after 6 months of employment commencement.
- Technical writing: Offered for contributing content
- Leadership Bonuses: Provided for leading workshops and master classes

**PS: It is expected that all instructors complete the full 12 weeks with the cohorts they initiated, without resigning before the cohort concludes.**

A reminder of the essential tasks for the position:

- Inspire students to learn today's in-demand technical and soft skills.
- Coach students to independently find solutions to their problems.
- Guide students in their learning path, encouraging them to learn by making.
- Organize weekly meetings and follow-ups with students to ensure their progress.
- Evaluate assignments and hold simulated job interviews.
- Organize and facilitate group workshops.
- Ensure the smooth running of the educational program.
- Liaise with the hackerspace to guarantee an ideal student experience.
- Assist new instructors through the GoMyCode Mentorship Program.
- Record video courses to optimize the students' learning experience.
- Provide feedback on how we can improve!
- Other tasks could arise according to the position and the needs of the team.

Please note that GoMyCode does not provide laptops nor smartphones. You will need to use your own to teach during your classes.

After accepting your offer digitally, we will start the onboarding process. As soon as a student group has been planned for you, we will inform you of your first teaching date.

In case your date or your available teaching times change, please let us know as soon as possible.

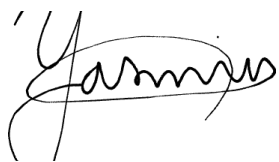

We look forward to having you in the team soon!

The GoMyCode Team
